

# Flipster<sup>®</sup> Account Setup/Database Login

Flipster offers the magazines you know and love, freely available digitally through our BC Library.

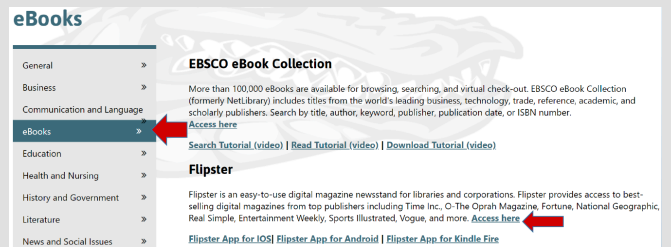

**Note: The following directions provide guidance for database access and account set up. Offline viewing available via the Flipster apps for Apple devices, Android devices, and Kindle Fire.**

Go to **brazosport.edu/library** and click the **Databases** link

1

Databases are organized by subject, so click **ebooks** followed by **Access here** under **Flipster**

2

If you are on the BC network, you'll be directly linked to Flipster. **Off network** access requires the entry of your **BC Username and Password**

## Brazosport College Library Research Database Access

Please enter your username:   
Please enter your password:

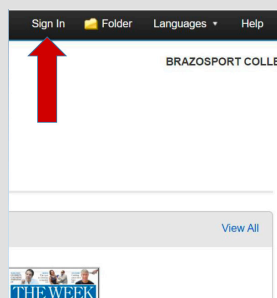

3

As you explore magazines by category, latest issues or magazines offered, you can click **Help** for assistance i.e. searching or accessibility

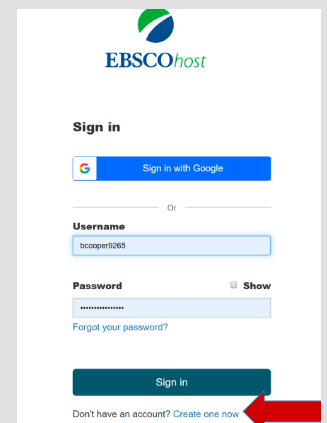

4

It is recommended you **create an EBSCO account** if you want to **personalize** Flipster or access the BC **subscription** using the app

5

After clicking **Sign In** (see Step 5), create a **new account** using the "Create one now" link under the login button

6

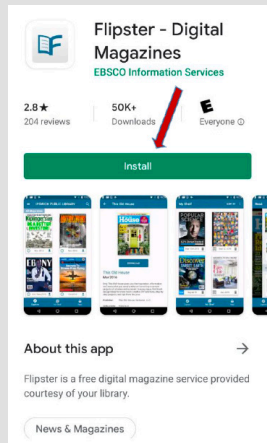

Flipster offers the magazines you know and love, freely available digitally through our BC Library.

**Note: The following directions provide guidance for installing the Flipster app on mobile devices. Offline viewing available via the Flipster apps for Apple devices, Android devices, and Kindle Fire.**

Once you have an EBSCO account, you can access Flipster through the app on your mobile device.

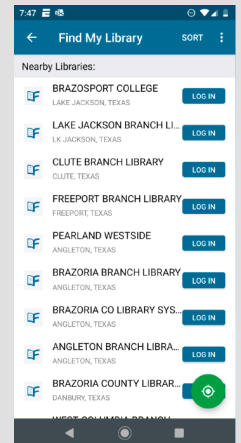

Go to your **App Store** to search for **Flipster** and click **Install**

1

Once you successfully download the Flipster app for mobile devices, **choose Brazosport College** as “My Library”

2

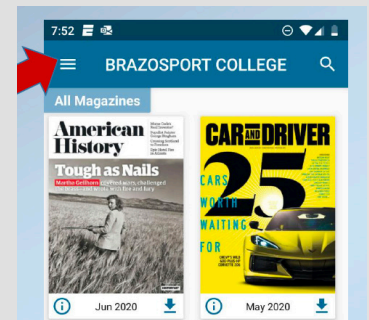

Now you can **Sign In** using your EBSCO account sign in information for access

3

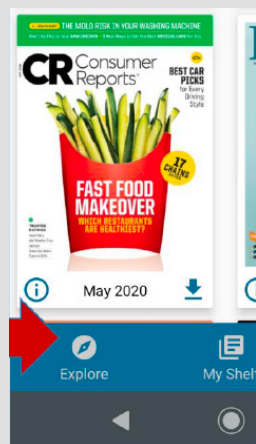

Click the **drop down menu** icon (≡) to view the categories of magazines offered

4

Use **Explore** to find the latest issue of all offered magazines

5

Access all downloaded issues in **My Shelf** and click the **Read** icon to begin reading your selection.

Happy reading!
