

TEAS Math

- Free Practice Exams • Free Tutoring • Practice Packets •

Free Math Tutoring for TEAS!

The tutors at BC are here to help you!

The math tutors at Brazosport College are offering support with the math portion of the TEAS for future nursing students. Attend the Math Center's scheduled group study sessions which are facilitated by our experienced tutors. The sessions seek to help relieve students test anxiety, strengthen math skills, learn valuable study skills, and practice test taking strategies.

1
